

FACT SHEET

Line description

STEUER BLUE LINE is the Masters series for German clarinet. They are built around a thicker blank than the White Line series and are specifically designed for demanding players to suit the characteristics of German models.

STEUER reeds are crafted with the highest standards of quality, exclusively using premium cane grown 100% naturally at Steuer's fields in the Var in France.

Model description

- Compact sound and precise articulation
- Recommended for German mouthpieces
- Highest quality, profiled and selected manually for the most demanding musicians, using the very latest technology
- Ideal for professionals
