# MODEL F CLARINETS

Reinventing the Clarinet. One Piece at a Time.

A PROFESSIONAL CLARINET  
OF EXCEPTIONAL  
CHARACTER AND  
VERSATILITY, THE MODEL F  
REPRESENTS THE FUTURE, NOT THE  
PAST. CONSIDER IT A SIGNAL TO  
CLARINETISTS AROUND THE WORLD  
THAT TRADITION HAS A NEW  
NAME. THAT NAME IS BACKUN.

# AUDITION CATALYST

# MODEL F CLARINETS

Ethically and sustainably harvested Grenadilla and Cocobolo woods, carefully procured and aged, provide diverse sound characteristics.

Acoustically designed bore, with technologically advanced tone hole undercutting and overcutting, offers exceptional response and intonation.

Metal tenon caps with a carbon fibre middle joint provide an uncompromising fit.

Automatic Low F Vent mechanism, actuated from the register key, yields unrivaled tuning.

Removable auxiliary left-hand Ab/Eb lever is standard on all Model F Clarinets.

Model F Clarinets come with two New  
Traditional Barrels and one Traditional  
Bell from our line of world-renowned  
accessories.
