

Clarinet reeds

German system

UPDATED
VERSION

White Master

WHITE MASTER
TRADITIONAL

Their cut is particularly designed to suit the characteristics of the German system (Oehler) clarinet mouthpieces.

WHITE MASTER
NEW VERSION

German reeds

The **White Master** are designed for German clarinet players. They are available in two versions:

- Traditional version
- New version: an evolution of the White Master reed, designed to suit more specifically the characteristics of the new generation of German mouthpieces (open mouthpieces with long facing).
